The Debenture Holders (*as defined below*) are informed that NHIT has 15 road assets spanning approximately 1,500 kilometers and NHAI (Sponsor) is contemplating allocation of additional assets to NHIT for which it would require additional financing to acquire these assets. Envisaging the expansion requirements by the NHIT and to facilitate the acquisition of the additional assets, NHIT will require additional financing.

Under the existing arrangement for issuance of secured, rated, listed, redeemable non-convertible debentures of face value of INR 1,000/- (Rupees One Thousand only) each, (comprising of 1 (one) STRPP A of face value of INR 300/- (Rupees Three Hundred only), 1 (one) STRPP B of face value of INR 300/- (Rupees Three Hundred only) and 1 STRPP C of face value of INR 400/- (Rupees Four Hundred only), for an amount aggregating to INR 1,500,00,00,000 (Rupees One Thousand Five Hundred Crores) (“**Debentures**”) *vide* Debenture Trust Deed dated 21st October, 2022 (including master supplementary debenture trust deed dated 19th September, 2023) (together, “**Debenture Trust Deed**”) entered into between NHIT (represented by IDBI Trusteeship Services Limited (as Trustee to NHIT (“**InvIT Trustee**”)), the Company and SBICAP Trustee Company Limited (as the Debenture Trustee (“**Debenture Trustee**”)) for the purposes of the Debentures with the Debenture Trustee acting for the benefit of the debenture holders (“**Debenture Holders**”), NHIT is required to comply to certain provisions in case additional debt is being availed.

For the purposes of the aforementioned additional debt, certain additional debt conditions are required to be complied with under the Debenture Trust Deed (“**Additional Debt Conditions**”). Since the Additional Debt shall be obtained by the Issuer only upon compliance with the Additional Debt Conditions, it is felt necessary to clarify the any indebtedness to refinance any debt of the Issuer and/or any debt granted by NHIT to the Project SPV (“**Refinancing Indebtedness**”) shall not be included within the meaning of Additional Debt. For avoidance of doubt it is hereby clarified that availing such Refinancing Indebtedness shall not increase the total liability of NHIT.

In terms of Clause 20.9 (*Amendments*) of the Debenture Trust Deed, the Debenture Trust Deed may be amended only by an instrument in writing executed by duly authorized representatives of the Trust and the Debenture Trustee. However, in terms of the Debenture Trust Deed, the Debenture Trustee is required to obtain prior written instructions of the Majority Debenture Holders (as defined in the Debenture Trust Deed) prior to execution of such instrument for the amendment of the Debenture Trust Deed.

Accordingly, the approval of the Debenture Holders is required for the proposed amendments to the Debenture Trust Deed.

The Board recommends the **ORDINARY RESOLUTION** as set out at **ITEM NO. 1** of the accompanying Notice for approval by the Debenture Holders.

Item No. 2:

Accordingly, the approval of the Debenture Holders is required for the proposed amendments to the Debenture Trust Deed.

The Board recommends the **ORDINARY RESOLUTION** as set out at **ITEM NO. 3** of the accompanying Notice for approval by the Debenture Holders.

Item No. 4

Presently, NHIT has 15 road assets spanning approximately 1,500 kilometers and NHAI (Sponsor) is contemplating allocation of additional assets to NHIT for which it would require additional financing to acquire these assets. Envisaging the expansion requirements by the NHIT and to facilitate the acquisition of the additional assets, NHIT will require additional financing. Further, for securing such additional financing, NHIT is required to offer security to such additional lenders and also create security on its assets on a reciprocal basis amongst the various financings obtained by NHIT.

For avoidance of doubt it is hereby clarified that availing such indebtedness shall not increase the total liability of NHIT.

Further, in terms of Regulation 59 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“**Listing Regulations**”), NHIT is required to obtain prior approval of the stock exchanges prior to making any material modifications to the terms of the debentures. Such approval from the stock exchanges shall be obtained only after the receipt of approvals from the board of director of an issue, the debenture trustee and the written consent of requisite majority of the holders of such debenture.

Presently, NHIT has 15 road assets spanning approximately 1,500 kilometers and NHAI (Sponsor) is contemplating allocation of additional assets to NHIT for which it would require additional financing to acquire these assets. Envisaging the expansion requirements by the NHIT and to facilitate the acquisition of the additional assets, NHIT will require additional financing.

Given the existing security arrangements stipulated in the Debenture Trust Deed in favor of the Debenture Trustee, as well as the proposed securities for the new financing, it is recommended to standardize the security structure across all facilities obtained by NHIT. This standardization shall ensure uniformity in the security and covenants provided, as well as streamlining the monitoring process for all current and future debt facilities obtained by NHIT.

A corporate guarantee was provided by National Highways Infra Projects Private Limited for the purposes of the Debentures for the benefit of the Debenture Holders (“**NCD CG**”). In lieu of recent developments; considering a likely cost implications on providing a credit comfort in the nature of a corporate guarantee; it was represented to the Debenture Holders that in case of InvIT financing, the external debt holders at NHIT level have step-in rights into the NHIT through hypothecation/ assignment, in case of default, thereby invoking substitution/ termination rights under the concession agreement, which is similar to road financing.

The viability of a corporate guarantee was also examined by the various lenders, banks and other financial institutions and such lenders, banks and other financial institutions have sanction limits of an additional loan of ₹ 9,000 Crs to NHIT without the credit comfort of a corporate guarantee. Further, NHIT has obtained certain financing from *inter alia* the State Bank of India (aggregating upto ₹ 1,000 Crs), Axis Bank Bank (aggregating upto ₹ 600 Crs and Bank of Maharashtra (aggregating upto ₹ 400 Crs for acquisition and initial improvement works for Round 1 and Axis Bank (aggregating upto ₹ 877 Crs) for initial improvement works for Round 2 (“**Existing Lenders**”). The Existing Lenders have also waived the corporate guarantee requirement and NHIT has received the waiver confirmations.

Hence, it is proposed to waive the requirement of the NCD CG and cancel the corporate guarantee issued for the purposes of the Debentures.

Further, in terms of Regulation 59 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“**Listing Regulations**”), NHIT is required to obtain prior approval of the stock exchanges prior to making any material modifications to the terms of the debentures. Such approval from the stock exchanges shall be obtained only after the receipt of approvals from the board of director of an issue, the debenture trustee and the written consent of requisite majority of the holders of such debenture.

Accordingly, the approval of the Debenture Holders is required for the proposed amendments to the Debenture Trust Deed.
