Execution Timeline & Mobilization:

Time-bound Completion Requirement:

Time is the essence of Contract. It is imperative that the entire scope of milling and Bituminous Concrete (BC) works is completed before the onset of the monsoon by 15th of June 2026. Considering the limited available timeframe, the following conditions shall apply:

1. Only those bidders who have the necessary resources, including readily available Hot Mix Plant (HMP) preferably on the Project site, machinery, and manpower, enabling commencement of work within the stipulated period, are advised to participate in the bidding process.
2. Only those bidders who have the necessary resources, including readily available Hot Mix Plant (HMP) within 50 kms of the Project site and are able to commence work within 10 days of the LOA are eligible to participate in the bidding process.
3. In case of delay in commencement of work:
 - A grace period of 7 (seven) days beyond the stipulated 10 days may be allowed only for genuine/valid reasons.
 - Thereafter, Liquidated Damages (LD) shall be levied at the rate of [1% of Contract Price per week or part thereof].
4. If the Contractor fails to commence the work within 21 (twenty-One) days from the date of LOA:
 - The Contract shall be liable for termination, and
 - The Performance Security / Bank Guarantee shall be invoked automatically, without further notice.
5. Prior to submission of bids, bidders are advised to carefully assess their capability, including availability and proximity of plant and machinery to the site, and submit bids only if they can meet the above timelines.
