

Tender Ref. No. NHIIMPL/TDD/ 2026-2027/01 **Published on NHIIT Website on dated:** 08-July-2026 **for Tender Title:** Request for Empanelment ("RFE") issued by National Highways Infra Investment Managers Private Limited ("NHIIMPL"), on behalf of National Highways Infra Trust ("NHIIT"), inviting bids for empanelment of Consultants for undertaking Technical Due Diligence Studies.

Sr. No.	Ref clause No.	Description	Query/Clarification required	Reply
1	Section 3 - Scope of work & Section 5 - Form of Financial Proposal		(i) Section 3 - Scope of work - Falling Weight Deflectometer (FWD) and Pavement Condition Survey using NSV is to be done on Main Carriageway, Service Road, Loops and Ramps of Project Corridors (ii) Section 5 - Form of Financial Proposal - Base Fee to be charged (per lane-km) as per given scope for Technical Due Diligence Study - As the definitive lengths of service roads, loops, and ramps are known only during the site inspection / investigation phase of the assigned project, it is requested that lane-km of these elements be added to the project lane-km scope when assigning the consultancy services.	Refer Corrigendum-II
2	Section 3 - Scope of work, subclause 2.2.2		Section 3 - Scope of work, subclause 2.2.2, Measurement Scheme - Good, Fair and Poor condition of the flexible pavement can be known / classified only during the site investigation phase of the assigned project. So, any additional points required for the during the investigation, that may be treated as Additional Services - Highway where per point rates are mentioned for FWD.	Refer Corrigendum-II

Note: Bidders are advised to take note of the above changes made in the RFE while submitting their bids.

Thank you,

For and on behalf of
National Highways Infra Investment Managers (P) Ltd.
